
Document Management With Sap Dms

Document Management With Sap Dms - [PDF] [EPUB] Document Management With Sap Dms
A document management system (DMS) is a system (based on computer programs in the case of the management of digital documents) used to track, manage and store documents and reduce paper. Most are capable of keeping a record of the various versions created and modified by different users (history tracking). The term has some overlap with the concepts of content management systems. - Tue, 16 Apr 2019 06:31:00 GMT (PDF) SAP Portfolio and Project Management: Configuration ...
